**To Whom it May Concern,**

I can confirm that ES-KO International have had a longstanding working Partnership with OTLC on both Road Transport and Riverine Operations throughout South Sudan and The Democratic Republic of The Congo. This relationship as spanned over 13 years.

Under extreme operational, environmental conditions in areas of conflict, OTLC have delivered an excellent service by road and by river and achieving on time deliveries of food rations which are crucial for the missions we serve.

We have no hesitation in recommending them to alternative customers who require an outstanding service.

Yours,

**Steve Morrall**
