TO WHOM IT MAY CONCERN

This is to certify that Es-Ko International Inc. has been using the services of Semliki Rift Trading Co. Ltd for the last five years in managing the MONUC and UNMIS food contracts.

These services include road, lake and river transportation in Uganda, Democratic Republic of Congo and Sudan.

Semliki Rift Trading Co. Ltd has proved to be a very professional and reliable Company with a dedicated staff and high level management.

The maintenance record of their equipment is of a very high standard and we did not experience any down time outside the scheduled services.

We can highly recommend Semliki Rift Trading Co. Ltd for any logistics job within Sudan and the Great Lakes Region.
